WHY ASUS

ASUS is passionate about technology and driven by innovation. We dream, we dare, and we strive to create an effortless and joyful digital life for everyone.

We're always in search of incredible ideas and experiences, and we aspire to deliver the incredible in everything we do.

FORTUNE WORLD'S MOST ADMIRED COMPANIES 2020

ortune has praised us as one of the World's most admired companies for 5 years. They rated us as one of the top leading companies in the tech industry.

Interbrand

We have topped Interbrand's annual brand survey for the past several years. We have been ranked as Taiwan's most valuable brand for 7 consecutive years.

Forbes 2019 GLOBAL BEST REGARDED COMPANIES 2000

Forbes has named ASUS among the Top Regarded Companies annual survey that evaluates companies on topics such as trustworthiness, social conduct, performance of the company's product or service and the company as an employer.

2018 THOMSON REUTERS TOP 100 GLOBAL TECH LEADER

ASUS has been named as a Top 100 Global Technology Leader by Thomson Reuters. The program identifies the tech industry's most operationally sound and financially successful organizations with excellent products and services.

INCREDIBLE ASUS STORIES

The durability of ASUS products has been tested — and proven — in some of the most challenging environments imaginable. Below are just a few incredible, real-life ASUS stories.

Outperforming competitors through 600 days in outer space

R & K, a major supplier of computers and electronic equipment for aeronautical missions to outer space, provided MIR Space Station astronauts with two ASUS notebooks for their 600-day stint in space. "The ASUS notebooks never overheated like some of the devices made by other companies," said Russian cosmonaut Sergei Avdeev.

First to reach the tallest peak in Antarctica

On December 16, 2003, acclaimed mountaineers Shi Wang and Jian Liu embarked on an expedition to the summit of Mount Vinson — the tallest peak in Antarctica — where temperatures are known to drop below minus 100 degrees Fahrenheit. The device they chose to take with them was an ASUS S200N notebook.

First To Reach The Top Of Mount Everest

For a Mount Everest expedition, a mountaineering team selected a series of ASUS notebooks—the ASUS U5, ASUS S6, ASUS W7 and ASUS U1—as their devices of choice. At the base camp elevation of 5,000m above sea level, other notebooks failed to boot up, due to extremely low ambient temperature; however, the ASUS notebooks functioned without incident. Expedition team leader, Captain Wang Yongfong, took an ASUS U5 notebook with him to the peak: At 8,848m above sea level, an ASUS notebook became the first in the world to reach the top of Mount Everest.

THE WORLD'S BEST LAPTOP BRAND

Best Laptop Brand of 2020

ASUS was crowned by Laptop Mag as the world's best laptop brand of 2020, with the highest scores and across-the-board praise for innovation, design, value and selection. The publication commented that "ASUS is a laptop maker that is known for state-of-the-art innovation.". The exceptional results of both the innovation and design awards reflect the strong commitment of ASUS to providing users with leading-edge solutions and exceptional designs.

Best Business Choice Laptop Winner 2021

ASUS also triumphed in the annual PCMag reader survey, beating all other competitors to be elected the winner of the Best Choice 2021 award for laptops running Windows. Readers of the respected publication voted ASUS their favorite Windows laptop brand across multiple categories, including for cost, reliability, ease, battery life, support and overall satisfaction. ASUS was also the Windows laptop brand that the readers were most likely to recommend to others.

QUALITY THAT EXCEEDS INDUSTRY STANDARDS

Business and enterprise users demand higher quality and greater reliability than consumers, so all ASUS devices undergo rigorous quality testing to much higher standards than mainstream models. They offer proven reliability in all aspects, and be extraordinarily tough enough to tested with industry-leading military-grade MIL-STD-810H durability standards.

MILITARY GRADE
★
MIL-STD 810H
Multiple Tests Passed

All 2021 ASUS commercial models and onwards will be tested according to the demanding MIL-STD 810H military-grade standard to ensure maximum reliability and durability.

Port Test

Port tests ensure that contacts and plugs are durable even in environments where devices are frequently connected and disconnected.

Durability Testing

ASUS devices are built to last, even after continuous daily use. All units are put through extreme tests to ensure the display, hinge, structure and ports are built to last.

Panel Resistance Test

Panel resistance tests ensure that the display can endure unexpected bumps or pressure.

Strong Hinge Test

Vigorous testing with over 50,000 open / close cycles helps ensure exceptional hinge strength.

Keyboard Durability Test

To ensure ultimate keyboard durability, specially designed ASUS robots test individual keys with millions of keystrokes.

Impact Testing

ASUS devices are tested to be tough enough to keep working after sudden impacts, so there's no need to worry about everyday knocks and bumps.

Drop Test

Drop tests check the resistance of the chassis and internal components to damage from unexpected drops.

Shock Test

Shock tests ensure a laptop can withstand unexpected impacts such as accidental bumps, or jarring movements during shipping.

Twist Test

Twist tests confirm that the chassis is strong enough to retain structural integrity even when uneven pressures applied.

Vibration Test

Extensive vibration testing ensures that the chassis and internal components can withstand even the most extreme travel conditions.

Environment Testing

ASUS devices are built to withstand the most extreme environmental conditions and are designed to work anywhere in the world, no matter where you are.

Altitude Test

This tests the ability to survive extremes of altitude encountered in shipping by air or air travel.

Temperature Test

Extremely high or low temperature tests ensure devices function consistently for users everywhere.

Acoustic Test

Devices undergo fan, hard drive, and power-supply noise tests to ensure the quietest performance possible.
EMC Test

This ensures that ASUS devices perform well in internal or external electromagnetic fields.

BUILT WITH THE ENVIRONMENT IN MIND

ASUS devices are is built with the environment in mind. Exclusive technologies help optimize energy use to meet the industry's highest environmental certifications. ASUS respects the environment while lowering your operating costs.

PRODUCING

Since 2013, ASUS introduced postconsumer recycled plastic as mechanical housing in commercial notebook.

Achievement :
Using post-consumer recycled plastic, at least 20% estimated reduction of carbon emission in manufacturing phase can be expected by replacing conventional materials.

USING

ASUS continuously designs exclusive technologies that raise energy efficiency on hardware and software.

Achievement :
In 2012, 100% of our new laptop computers were Energy Star qualified products. Moreover, the average power consumption of ASUS NBs is 45% lower than Energy Star standard.

1	2
3	4

PACKAGING

Since 2012, packaging design department improved the folding structure of the packaging materials, this method received relevant patents.

Achievement :
The volume of the packaging for 15 inches notebook was 39% smaller than the old one.

RETIRING

Galvanized support for recycling programs and ensures that charitable organizations benefit from these initiatives.

Achievement :
Eliminates harmful substances from the production process and uses recyclable packaging materials.
Meet the industry's highest environmental certifications

In 2020 alone, ASUS earned 69,965 green certification from some of the most prestigious international organizations around the world.

69,965

ASUS PREMIUM CARE SERVICES

Hassle free, peace of mind for Education.

ASUS premium care services go beyond standard warranty, to provide the assurance of maximum protection with minimal effort. It's the peace of mind you need so that you can get things done without compromising productivity or mobility.

MINIMISED DOWNTIME

INCREASED EFFICIENCY

REDUCED COSTS

Comprehensive Support
Nobody knows your laptop better than our own ASUS hardware experts do. That is why they are only a phone call away to help you get the best out of your laptop and assist you when you need support from trouble-shooting, diagnostics and more.

Warranty Extensions
Keep that peace of mind feeling going for up to 5 years, with an ASUS extended warranty. Ideal if you are planning to deploy your laptop for a longer period.

Next Business Day (NBD) Onsite Repair
Minimise disruptions by investing in NBD service. Eliminate the hassle of laptop drop offs and pick-ups.

Keep My Drive
In the unlikely event that the original storage drive supplied with your laptop requires replacement, Keep My Drive allows you to retain the defective drive and receive a replacement, installed by an authorised ASUS technician.

Battery Back Up
Extend the warranty of your battery to match the warranty of the laptop with Battery Back Up. You will be entitled to one battery replacement during the warranty period, as a result of any manufacturing defects.

ASUS CHROMEBOOKS

Simple, Fast, and Effective

Simple, yet effective — that's what the ASUS Chromebook Series is all about. ASUS Chromebook laptops provide full connectivity to give you quick and easy access to everything you have stored in the cloud. It's easy to manage and update, and helps keep costs down. And with Chrome OS, it's a convenient gateway to the immense variety of apps on the Google Play Store for work or school.

ASUS **Chromebook CX9** (CX9400)

Ultralight and tough for cloud-first business

Powered by Intel® Core™ i7 Processor.

intel. CORE i7

- Lightweight
- US military-grade durability
- 14 hours battery life
- NanoEdge display

ASUS Chromebook CX9 is built for today's fast-paced, constantly evolving business world — a world where many employees work remotely using cloud-first operating systems and collaborative tools such as Chrome OS. With an ultralight 1.05 kg aluminum-alloy chassis and US MIL-STD 810H military-grade toughness, ASUS Chromebook CX9 delivers reliable take-anywhere mobility with the nimble performance of up to an 11th gen Intel® Core™ i7 processor. It also features ultrafast WiFi 6, a Harman Kardon-certified dual speaker audio system, and a fingerprint sensor for password-free login, — all to empower employees with the tools needed to get the job done efficiently and effectively, from anywhere.

Designed for modern business

ASUS Chromebook CX9 offers a sophisticated design and posh portability for expanding the possibilities of remote work. Made of aluminum alloy using the high-precision CNC manufacturing process, its chassis is strong, flexible and lightweight. With an ultrathin profile, ASUS Chromebook CX9 emanates a sense of premium quality and professionalism, and it easily slides into a briefcase.

Performance that gets the job done

Powered by up to the latest 11th gen Intel® Core™ i7 processors with Intel® Iris® X^e graphics and 16 GB of memory, ASUS Chromebook CX9 delivers performance and responsiveness to empower users with incredible productivity. Easy access to your employees' favorite productivity suites and video conferencing apps available on Google Play make projects a breeze, and a spacious PCIe® SSD gives you fast-access storage.

Seamless visuals for focused workflows

ASUS Chromebook CX9 delivers expansive visuals for boundless productivity. The four-sided 91% NanoEdge display maximizes screen area and screen-to-body ratio, making viewing experiences more immersive. An optional touchscreen display offers wide viewing angles and exceptional color reproduction for incredibly vivid, true-to-life imagery.

ASUS Chromebook Detachable CZ1 (CZ1000)

3.5mm audio combo jack

USB 2.0 Type-C®

Power button

Volume buttons

- MEDIATEK KOMPANIO 500(8183) Processor
- Up to 128 GB eMMC
- 4GB Ram
- 10.1" WUXGA Touch display
- Chrome OS
- Up to 11 hours battery life
- TÜV Rheinland certified screen for low blue-light emissions
- Flexible free-angle stand cover
- Garaged Stylus
- 1 year Pick up & Return Warranty

1. Actual battery life may vary depending on product configuration, usage, operational conditions and power management settings. Battery life will decrease over the lifetime of the battery.
